**CERTIFICATE OF INCORPORATION  
OF  
SUPERIOR INDUSTRIES INTERNATIONAL, INC.**

Superior Industries International, Inc., a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware (the “DGCL”), does hereby certify:

ONE: The name of this corporation is SUPERIOR INDUSTRIES INTERNATIONAL, INC.

TWO: The purpose of this corporation is to engage in any lawful act or activity for which a corporation may be organized under the DGCL, as the same may be amended from time to time.

THREE: The address of this corporation’s registered office in the State of Delaware is The Corporation Trust Center, 1209 Orange Street in the City of Wilmington, County of New Castle, Zip Code 19801. The name of its registered agent at such address is The Corporation Trust Company. The registered office and/or registered agent of this corporation may be changed from time to time by the Board of Directors of this corporation (the “Board of Directors”).

FOUR: This corporation is authorized to issue two classes of shares designated, respectively, “Common Stock” and “Preferred Stock.” The number of shares of Common Stock authorized to be issued is one hundred million (100,000,000), \$0.01 par value, and the number of shares of Preferred Stock authorized to be issued is one million (1,000,000), \$0.01 par value.

The Preferred Stock may be divided into such number of series as the Board of Directors may determine. The Board of Directors is authorized to provide by resolution or resolutions from time to time for the issuance, out of the unissued shares of Preferred Stock, of one or more series of Preferred Stock by filing a certificate of designation pursuant to the DGCL, setting forth such resolution or resolutions, and, with respect to each series, provide for the rights, preferences, privileges and restrictions granted to and imposed upon the Preferred Stock or any series thereof, without stockholder approval, with respect to any wholly unissued class or series of Preferred Stock, and to fix the number of shares of any series of Preferred Stock and the designation of any such series of Preferred Stock. The Board of Directors, within the limits and restrictions stated in any resolution of the Board of Directors originally fixing the number of shares constituting any series, may increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series subsequent to the issue of shares of that series. The powers, designation, preferences and relative, participating, optional and other special rights of each series of Preferred Stock, and the qualifications, limitations and restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

FIVE: The personal liability of the directors of this corporation to this corporation or the stockholders for monetary damages shall be eliminated to the fullest extent permissible under Delaware law. Any repeal or amendment of this Article FIVE will, unless otherwise required by

law, be prospective only and shall not adversely affect any right or protection of a director of this corporation existing at the time of such repeal or amendment with respect to acts or omissions occurring prior to such repeal or amendment.

SIX: This corporation is authorized to indemnify (and advance expenses to) the directors and officers of this corporation to the fullest extent permissible under Delaware law. Any repeal or amendment of this Article SIX will, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits this corporation to provide broader indemnification rights than said law permitted this corporation to provide prior to such amendment).

SEVEN: Any action required or permitted to be taken by the stockholders of this corporation must be effected at a duly called annual or special meeting of stockholders of this corporation and may not be effected by any consent in writing by such stockholders. Advance notice of stockholder nominations for the election of directors and other matters to come before any meeting of stockholders of this corporation shall be given in the manner provided in the bylaws.

EIGHT: The number of directors constituting the Board of Directors shall be as set forth in a resolution of the Board of Directors. Each director shall be elected to hold office for a term expiring at the next annual meeting of stockholders.

Subject to any applicable law and the rights of the holders of any series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause may be filled by a majority vote of the directors then in office though less than a quorum, and directors so chosen shall hold office for a term expiring at the next annual meeting of stockholders. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

NINE: Stockholders shall not have cumulative voting rights in the election of directors.

TEN: In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to adopt, amend or repeal the bylaws of this corporation. Bylaws of this corporation shall be adopted, amended or repealed by the Board of Directors or the affirmative vote of the holders of at least a majority of the voting power of all of the then outstanding shares of the capital stock of this corporation entitled to vote generally in the election of directors, voting together as a single class.

ELEVEN: This corporation reserves the right to amend or repeal any provision contained in this Certificate of Incorporation in the manner prescribed by the DGCL and all rights conferred upon stockholders are granted subject to this reservation; provided, however, that, notwithstanding any other provision of this Certificate of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, and in addition to any vote of the holders of any class or series of the stock of this Corporation required by law or by this Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all of the then outstanding shares of the capital stock of this corporation entitled to vote

generally in the election of directors, other than such capital stock of which an Interested Shareholder (as defined in Article TWELVE) is the beneficial owner, voting together as a single class, shall be required in order to amend or repeal Article TWELVE or Article THIRTEEN.

TWELVE: The stockholder vote required to approve Business Combinations (as hereinafter defined) shall be as set forth in this Article.

A. (1) Except as otherwise expressly provided in Section B of this Article:

(i) Any merger or consolidation of this corporation or any Subsidiary (as hereinafter declined) with (a) any Interested Shareholder (as hereinafter defined) or (b) any other corporation (whether or not itself an Interested Shareholder) which is, or after such merger or consolidation would be, an Affiliate (as hereinafter defined) of an Interested Shareholder; or

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to or with any Interested Shareholder or any Affiliate of any Interested Shareholder of any assets of this corporation or any Subsidiary having an aggregate Fair Market Value (as hereinafter defined) of ten percent (10%) of the total value of the assets of this corporation and its consolidated subsidiaries as reflected in the most recent balance sheet of this corporation; or

(iii) the issuance or transfer by this corporation or any Subsidiary (in one transaction or a series of transactions) of any securities of this corporation or any Subsidiary to any Interested Shareholder or any Affiliate of any Interested Shareholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate Fair Market Value of \$15,000,000 or more; or

(iv) any reclassification of securities (including any reverse stock split), or recapitalization of this corporation, or any merger or consolidation of this corporation with any of its Subsidiaries or any other transaction (whether or not with or into or otherwise involving any Interested Shareholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of this corporation or any Subsidiary that is directly or indirectly owned by any Interested Shareholder or any Affiliate of any Interested Shareholder; shall require (a) the affirmative vote of the holders of at least eighty percent (80%) of the voting power of all of the then outstanding shares of the capital stock of this corporation entitled to vote generally in the election of directors (hereinafter in this Article referred to as the "Voting Stock"), voting together as a single class (it being understood that, for purposes of this Article, each share of the Voting Stock shall have the number of votes granted to it pursuant to Article FOUR of this Certificate of Incorporation or any designation of the rights, powers and preferences of any class or series of preferred stock made pursuant to said Article FOUR (a "Preferred Stock Designation")) and (b) the affirmative vote of the holders of at least a majority of the voting power of all of the then outstanding shares of Voting Stock other than the Voting Stock of which an Interested Shareholder or an Affiliate of any Interested Shareholder is the beneficial owner, voting together as a single class. Such affirmative votes shall be required notwithstanding any other provisions of this Certificate of Incorporation or any provision of law or of any agreement with any national securities exchange which might otherwise permit a lesser vote or no vote, but such affirmative votes shall be

required in addition to any affirmative vote of the holders of any particular class or series of the Voting Stock required by law, this Certificate of Incorporation or any Preferred Stock Designation.

(2) The term “Business Combination” as used in this Article shall mean any transaction which is referred to in any one or more of subparagraphs (i) through (iv) of paragraph (1) of this Section A.

B. The provisions of Section A of this Article shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote as is required by law, any other provision of this Certificate of Incorporation, any Preferred Stock Designation or any agreement with any national securities exchange, if, in the case of a Business Combination that does not involve any cash or other consideration being received by the stockholders of this corporation, solely in their respective capacities as stockholders of this corporation, the condition specified in the following paragraph (1) is met, or, in the case of any other Business Combination, the conditions specified in either of the following paragraphs (1) and (2) are met:

(1) The Business Combination shall have been approved by a majority of the Continuing Directors (as hereinafter defined), it being understood that this condition shall not be capable of satisfaction unless there is at least one Continuing Director.

(2) All of the following conditions shall have been met:

(i) The consideration to be received by holders of shares of a particular class of outstanding Voting Stock shall be in cash or in the same form as the Interested Shareholder has paid for shares of such class of Voting Stock within the two-year period ending on and including the date on which the Interested Shareholder became an Interested Shareholder (the “Determination Date”). If, within such two-year period, the Interested Shareholder has paid for shares of any class of Voting Stock with varying forms of consideration, the form of consideration to be received per share by holders of shares of such class of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class of Voting Stock acquired by the interested Shareholder within such two-year period.

(ii) The aggregate amount of (x) the cash and (y) the Fair Market Value, as of the date (the “Consummation Date”) of the consummation of the Business Combination, of the consideration other than cash to be received per share by holders of Common Stock in such Business Combination, shall be at least equal to the higher of the following (it being intended that the requirements of this paragraph (2)(ii) shall be required to be met with respect to all shares of Common Stock outstanding regardless of whether the Interested Shareholder has previously acquired any shares of Common Stock):

(a) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers’ fees) paid by the Interested Shareholder for any shares of Common Stock acquired by it within the two-year period immediately prior to the date of the first public announcement of the proposal of the Business Combination (the “Announcement Date”) or in the transaction in which it

became an Interested Shareholder, whichever is higher, plus interest compounded annually from the Determination Date through the Consummation Date at the prime rate of interest of Bankers Trust Company (or such other major bank as may be selected by the Continuing Directors) from time to time in effect in the City of New York, less the aggregate amount of any cash dividends paid, and the Fair Market Value of any dividends paid in other than cash, on each share of Common Stock from the Determination Date through the Consummation Date in an amount up to but not exceeding the amount of interest so payable per share of Common Stock; or

(b) the Fair Market Value per share of Common Stock on the Announcement Date.

(iii) The aggregate amount of (x) the cash and (y) the Fair Market Value, as of the Consummation Date, of the consideration other than cash to be received per share by holders of shares of any class, other than Common Stock, of outstanding Voting Stock shall be at least equal to the highest of the following (it being intended that the requirements of this paragraph (2)(iii) shall be required to be met with respect to every such class of outstanding Voting Stock, regardless of whether the Interested Shareholder has previously acquired any shares of a particular class of Voting Stock):

(a) (if applicable) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Shareholder for any shares of such class of Voting Stock acquired by it within the two-year period immediately prior to the Announcement Date or in the transaction in which it became an Interested Shareholder, whichever is higher, plus interest compounded annually from the Determination Date through the Consummation Date at the prime rate of interest of Bankers Trust Company (or such other major bank as may be selected by the Continuing Directors) from time to time in effect in the City of New York, less the aggregate amount of any cash dividends paid, and the Fair Market Value of any dividends paid in other than cash, on each share of such class of Voting Stock from the Determination Date through the Consummation Date in an amount up to but not exceeding the amount of interest so payable per share of such class of Voting Stock; or

(b) the Fair Market Value per share of such class of Voting Stock on the Announcement Date; or

(c) the highest preferential amount per share to which the holders of shares of such class of Voting Stock are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of this corporation.

(iv) After such Interested Shareholder has become an Interested Shareholder and prior to the consummation of such Business Combination: (a) except as approved by a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on any outstanding Preferred Stock; (b) there shall have been (I) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), except as approved by a majority of the Continuing Directors, and (II) an

increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, unless the failure so to increase such annual rate is approved by a majority of the Continuing Directors; and (c) such Interested Shareholder shall not have become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Shareholder becoming an Interested Shareholder.

(v) After such Interested Shareholder has become an Interested Shareholder, such Interested Shareholder shall not have received the benefit, directly or indirectly (except proportionately, solely in such Interested Shareholder's capacity as a stockholder of this corporation), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by this corporation, whether in anticipation of or in connection with such Business Combination or otherwise.

(vi) A proxy or information statement describing the proposed Business Combination, complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) and setting forth, as an exhibit thereto, the opinion of an investment banking firm selected by a majority of the Continuing Directors, or, if there are no Continuing Directors, an opinion of the investment banking firm most recently retained by this corporation before the Interested Shareholder became an Interested Shareholder, or any successor in interest to such investment banker, that the proposed Business Combination is fair from a financial point of view to the stockholders of this corporation other than the Interested Shareholder, shall be mailed to all stockholders of this corporation at least 30 days prior to the consummation of such Business Combination (regardless of whether such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

C. For the purposes of this Article:

(1) A "person" shall mean any individual, firm, corporation or other entity.

(2) "Interested Shareholder" shall mean any person (other than this corporation or any Subsidiary) who or which:

(i) is the beneficial owner, directly or indirectly, of more than twenty percent (20%) of the voting power of the outstanding Voting Stock; or

(ii) is an Affiliate of this corporation and at any time within the two-year period immediately prior to the date in question was the beneficial owner, directly or indirectly, of twenty percent (20%) or more of the voting power of the then outstanding Voting Stock; or

(iii) is an assignee of or has otherwise succeeded to any shares of Voting Stock which were at any time within the two-year period immediately prior to the date in question beneficially owned by an Interested Shareholder, if such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

(3) A person shall be a “beneficial owner” of any Voting Stock:

(i) which such person or any of its Affiliates or Associates (as hereinafter defined) beneficially owns, directly or indirectly; or

(ii) which such person or any of its Affiliates or Associates has (a) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (b) the right to vote pursuant to any agreement, arrangement or understanding; or

(iii) which are beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of Voting Stock.

(4) For the purposes of determining whether a person is an Interested Shareholder pursuant to paragraph (2) of this Section C, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of paragraph (3) of this Section C but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(5) “Affiliate” or “Associate” shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on April 24, 1987.

(6) “Subsidiary” means any corporation of which a majority of any class of equity security is owned, directly or indirectly, by this corporation; provided, however, that for the purposes of the definition of Interested Shareholder set forth in paragraph (2) of this Section C, the term “Subsidiary” shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by this corporation.

(7) “Continuing Director” means any member of the Board of Directors who is unaffiliated with the Interested Shareholder and was a member of the Board prior to the time that the Interested Shareholder became an Interested Shareholder, and any successor of a Continuing Director who is unaffiliated with the Interested Shareholder and is recommended to succeed a Continuing Director by a majority of Continuing Directors then on the Board.

(8) “Fair Market Value” means: (i) in the case of stock, the highest closing sale price during the 30-day period immediately preceding the date in question of a share of such stock on the principal United States securities exchange registered under the Securities Exchange Act of 1934 on which such stock is listed, or, if such stock is not listed on any such exchange, the highest closing bid quotation with respect to a share of such stock during the 30-day period preceding the date in question on the National Association of Securities Dealers, Inc., Automated Quotations System or any system then in use, or if no such quotations are available, the fair market value of such property on the date in question as determined by the Board of Directors in good faith.

(9) In the event of any Business Combination in which this corporation survives, the phrase “consideration other than cash to be received” as used in paragraphs (2)(ii) and (2)(iii) of section B of this Article shall include the shares of Common Stock and/or the shares of any other class of outstanding Voting Stock retained by the holders of such shares.

D. A majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such determination as is hereinafter specified in this Section D is to be made by the Board of Directors) shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, all facts necessary to determine compliance with this Article, including, without limitation, (1) whether a person is an Interested Shareholder, (2) the number of shares of Voting Stock beneficially owned by any person, (3) whether a person is an Affiliate or Associate of another, (4) whether the applicable conditions set forth in paragraph (2) of Section B have been met with respect to any Business Combination, (5) whether the assets which are the subject of any Business Combination referred to in paragraph (1) (ii) of Section A have an aggregate Fair Market Value of 10% of the assets of this corporation and its consolidated subsidiaries as reflected in the most recent balance sheet of this corporation, and (6) whether the consideration to be received for the issuance or transfer of securities by this corporation or any Subsidiary in any Business Combination referred to in paragraph (1) (iii) of Section A has an aggregate Fair Market Value of \$15,000,000 or more.

E. Nothing contained in this Article shall be construed to relieve any Interested Shareholder from any fiduciary obligation imposed by law.

THIRTEEN: The directors of this corporation, when evaluating any offer of another party (a) to make a tender or exchange offer for any Voting Stock of this corporation (as defined in Article TWELVE) or (b) to effect a Business Combination (as defined in Article TWELVE) shall, in connection with the exercise of its judgment in determining what is in the best interests of this corporation as a whole, be authorized to give due consideration to such factors as they determine to be relevant, including, without limitation:

(i) the interests of this corporation’s stockholders;

(ii) whether the proposed transaction might violate federal or state laws;

(iii) not only the consideration being offered in the proposed transaction, in relation to the then current market price for the outstanding capital stock of this corporation, but also the market price for the capital stock of this corporation over a period of years, the estimated price that might be achieved in a negotiated sale of this corporation as a whole or in part or through orderly liquidation, the premiums over market price for the securities of other corporations in similar transactions, current political, economic and other factors bearing on securities prices and this corporation’s financial condition and future prospects; and

(iv) the social, legal and economic effects upon employees, suppliers, customers and others having similar relationships with this corporation, and the communities in which this corporation conducts its business.

In connection with any such evaluation, the directors are authorized to conduct such

investigations and to engage in such legal proceedings as they may determine.

FOURTEEN: This corporation expressly elects not to be governed by Section 203 of the DGCL.

IN WITNESS WHEREOF, this corporation has caused this Certificate of Incorporation to be signed on April 30, 2015.

(e) The Corporation shall notify the Holders of Series B Preferred Stock of the Automatic Conversion promptly following the Automatic Conversion Date, but in no event more than two Business Days thereafter, by delivery of written notice to such Holders and shall update the Register, effective as of the Automatic Conversion Date, to reflect the shares of Series A Preferred Stock held by such Holders as a result of the Automatic Conversion and shall, as promptly as practicable, but in no event more than two Business Days thereafter, issue and deliver or cause to be issued and delivered to each such Holder one or more certificates

(b) Promptly following receipt of a Redemption Request under Section 8(a) and no later than twenty (20) days prior to a Redemption Date contemplated thereby, the Corporation shall mail a notice of optional redemption by first-class mail, postage prepaid to each Holder (other than the Holder(s) who submitted the applicable Redemption Request), which notice shall state the applicable Redemption Date and the applicable Redemption Value. Any Holder may then, in its sole discretion, exercise its redemption right (without waiver of any other redemption rights herein) with respect to all or any portion of the shares of Preferred Stock (the “**Redemption Securities**”) beneficially owned by such Holder by delivery to the Corporation of a written notice no less than five (5) days prior to the applicable Redemption Date stating (x) that such Holder is exercising the right of redemption described herein and (y) the number of shares of the Redemption Securities with respect to which such Holder is exercising its redemption right.

(c) Upon a Redemption pursuant to Section 7 or this Section 8, the Corporation shall pay the applicable Redemption Value in cash on the later of (i) the Corporation Redemption Date or Redemption Date, as applicable and (ii) upon the receipt of surrender of the certificates, if any, representing the shares of Preferred Stock to be redeemed (properly endorsed or assigned for transfer, if the Corporation shall so reasonably require, and letters of transmittal and instructions therefor on reasonable terms as are included in the notice sent by the Corporation); provided that if such certificates are lost, stolen or destroyed, the Corporation may require the applicable Holder to execute an agreement reasonably satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection therewith, prior to paying such Redemption Value.

(e) Any redemption of shares of Preferred Stock pursuant to Section 7 or Section 8 (such redemption, the “**Redemption**”) shall be payable out of any cash legally available therefor. At the time of the Redemption, the Corporation shall take all actions required or permitted under Delaware law to permit the Redemption and to make funds legally available for such Redemption. (c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock or Series A Preferred Stock, as applicable, issuable upon conversion of Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock or Series A Preferred

As promptly as practicable on or after the Conversion Date and compliance by the applicable Holder with the relevant procedures contained in Section 9(a) (and in any event no later than three (3) Trading Days thereafter), the Corporation shall issue the number of whole shares of Common Stock or Series A Preferred Stock, as applicable, issuable upon conversion. Such delivery of shares of Common Stock or Series A Preferred Stock, as applicable, shall be made, at the option of the Corporation, in certificated form or by book-entry. 10. Adjustment of Conversion Price. The Conversion Price and the number of Conversion Shares shall be adjusted from time to time as follows:

(a) If and whenever on or after the Closing Date, the Corporation issues or sells, or in accordance with this Section 10 is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Corporation, but excluding shares of Common Stock deemed to have been issued by the Corporation in connection with any Excluded Securities (the “*Additional Shares*”) for a consideration per share (the “*New Issuance Price*”) less than a price (the “*Applicable Price*”) equal to the Conversion Price in effect immediately prior to such issue or sale or deemed issuance or sale (the foregoing a “*Dilutive Issuance*”), then immediately after such Dilutive Issuance, the Conversion Price then in effect shall be reduced to a price determined as follows:

$$\text{Adjusted Conversion Price} = \frac{(A \times B) + D}{A + C}$$

where

“A” equals the number of shares of Common Stock outstanding, including the Additional Shares deemed to be issued hereunder, immediately preceding the Dilutive Issuance;

“B” equals the Conversion Price in effect immediately preceding such Dilutive Issuance;

“C” equals the number of Additional Shares issued or deemed issued hereunder as a result of the Dilutive Issuance; and

“D” equals the aggregate consideration, if any, received or deemed to be received by the Corporation upon such Dilutive Issuance.

For purposes of determining the adjusted Conversion Price under this Section 10(a), the following shall be applicable:

(i) Issuance of Options. If the Corporation in any manner grants any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the granting or sale of such Option for such price per share. For purposes of this Section 10(a)(i), the “lowest price per share for which one share of Common Stock is issuable upon exercise of such Options or upon conversion, exercise or exchange of such Convertible Securities issuable upon exercise of any such Option” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Corporation with respect to any one share of Common Stock upon the granting or sale of the Option, upon exercise of the Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option less any consideration paid or payable by the Corporation with respect to such one share of Common Stock upon the granting or sale of such Option, upon exercise of such Option and upon conversion exercise or exchange of any Convertible Security issuable upon exercise of such Option. No further adjustment of the Conversion Price or number of Conversion Shares shall be made upon the actual issuance of such shares of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(ii) Issuance of Convertible Securities. If the Corporation in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 10(a)(ii), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Corporation with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security less any consideration paid or payable by the Corporation with respect to such one share of Common Stock upon the issuance or sale of such Convertible Security and upon

conversion, exercise or exchange of such Convertible Security. No further adjustment of the Conversion Price or number of Conversion Shares shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of the Preferred Stock has been or is to be made pursuant to other provisions of this Section 10(a), no further adjustment of the Conversion Price or number of Conversion Shares shall be made by reason of such issue or sale.

(iii) Change in Option Price or Rate of Conversion. If the purchase price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time, the Conversion Price and the number of Conversion Shares in effect at the time of such increase or decrease shall be adjusted to the Conversion Price and the number of Conversion Shares which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 10(a)(iii), if the terms of any Option or Convertible Security that was outstanding as of the Closing Date are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 10(a) shall be made if such adjustment would result in an increase of the Conversion Price then in effect or a decrease in the number of Conversion Shares.

(iv) Calculation of Consideration Received. In case any Option is issued in connection with the issue or sale of other securities of the Corporation, together comprising one integrated transaction, (A) the Options will be deemed to have been issued for the Option Value of such Options and (B) the other securities issued or sold in such integrated transaction shall be deemed to have been issued for the difference of (x) the aggregate consideration received by the Corporation less any consideration paid or payable by the Corporation pursuant to the terms of such other securities of the Corporation, less (y) the Option Value. If any shares of Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the net amount received by the Corporation therefor. If any shares of Common Stock, Options or Convertible Securities are issued or sold for a consideration other than cash, the amount of such consideration received by the Corporation will be the fair value of such consideration, except where such consideration consists of securities, in which case the amount of consideration received by the Corporation will be the Closing Price of such security on the date of receipt. If any shares of Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in

which the Corporation is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities, as the case may be. The fair value of any consideration other than cash or securities will be determined jointly by the Corporation and the Required Holders of the applicable series of Preferred Stock. If such parties are unable to reach agreement within ten (10) days after the occurrence of an event requiring valuation (the “*Valuation Event*”), the fair value of such consideration will be determined within five (5) Trading Days after the tenth (10th) day following the Valuation Event by an independent, reputable appraiser jointly selected by the Corporation and the Required Holders of the applicable series of Preferred Stock. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne by the Corporation.

(v) Record Date. If the Corporation takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(vi) Successive Adjustments. After an adjustment to the Conversion Price under this Section 10, any subsequent event requiring an adjustment under this Section 10 shall cause an adjustment to each such Conversion Price as so adjusted.

(b) If the Corporation at any time on or after the Closing Date subdivides (by any stock split, stock dividend, recapitalization, reorganization, scheme, arrangement or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Conversion Shares will be proportionately increased. If the Corporation at any time on or after the Closing Date combines (by any stock split, stock dividend, recapitalization, reorganization, scheme, arrangement or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased. Any adjustment under this Section 10(b) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(c) If and whenever on or after the Closing Date, the Corporation shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock (other than cash in lieu of fractional shares), cash, shares of any class of capital stock, evidences of its indebtedness, assets, other property or securities, but excluding (A) dividends or distributions

referred to in Section 10(a) above (any of such shares of capital stock, indebtedness, assets or property that are not so excluded are hereinafter called the “***Distributed Property***”), then, in each such case, the Conversion Price shall be adjusted based on the following formula:

$$\text{Adjusted Conversion Price} = B \times [(C - \text{FMV}) / C]$$

where

“B” equals the Conversion Price in effect immediately preceding the dividend or distribution of such Distributed Property;

“C” equal the Current Market Price as of the record date for such dividend or distribution; and

“FMV” equals the Fair Market Value of the portion of Distributed Property (or, with respect to dividends or distributions paid exclusively in cash, the amount in cash) distributed with respect to each outstanding share of Common Stock on the Record Date for such dividend or distribution.

If any such event is declared but does not occur, the Conversion Price shall be readjusted, effective as of the date on which the Board announces that such event shall not occur, to the Conversion Price that would then be in effect if such event had not been declared.

(d) If any event occurs of the type contemplated by the provisions of this Section 10 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights or phantom stock rights), then the Board will make an appropriate adjustment in the Conversion Price and the number of Conversion Shares so as to protect the rights of the Holder; provided that no such adjustment pursuant to this Section 10(c) will increase or decrease the Conversion Price or increase or decrease the number of Conversion Shares as otherwise determined pursuant to this Section 10 or to the extent the Holders participate in a dividend or distribution event pursuant to Section 3(b).

(e) Adjustment for Merger or Reorganization, Etc. If there shall occur any reorganization, recapitalization, consolidation or merger involving the Corporation in which the Common Stock is converted into or exchanged for securities, cash or other property (excluding a merger solely for the purpose of changing the Corporation’s jurisdiction of incorporation), then, following any such reorganization, recapitalization, consolidation or merger, in each case pursuant to which shares of Common Stock would be converted into or exchanged for, or would constitute solely the right to receive, cash, securities or other property, each share of Preferred Stock shall be convertible into the kind and amount of securities, cash or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of Preferred Stock immediately prior to such reorganization, recapitalization, consolidation or merger would have been entitled to receive pursuant to such transaction; and, in such case, appropriate adjustment (as determined in good faith by the Board) shall be made in the application of the provisions in this Section 10 set forth with respect to the rights and interest thereafter of the Holders, to the end that the provisions set forth in this Section 10 (including provisions with respect to changes in and other adjustments of the Conversion Price) shall

thereafter be applicable, as nearly as reasonably may be, in relation to any shares of stock or other property thereafter deliverable upon the conversion of the Preferred Stock. In the event holders of Common Stock have the opportunity to elect the form of consideration to be received in any transaction described by this Section 10, the Corporation shall make adequate provision whereby the Holders shall have a reasonable opportunity to determine the form of consideration into which all of the Preferred Stock, treated as a single class, shall be convertible from and after the effective date of such transaction. The determination: (i) will be made by Holders representing a plurality of shares of Preferred Stock participating in such determination, (ii) will be subject to any limitations to which all of the holders of Common Stock are subject, including, but not limited to, pro rata reductions applicable to any portion of the consideration payable in such transaction and (iii) will be conducted in such a manner as to be completed by the date which is the earlier of: (1) the deadline for elections to be made by holders of Common Stock, and (2) two Trading Days prior to the anticipated effective date of such transaction.

11. Purchase Rights. In addition to any adjustments pursuant to Section 10 above, if at any time the Corporation grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of the Holder’s Preferred Stock (without regard to any limitations on the conversion thereof) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

12. Notices. Upon any adjustment of the Conversion Price or the number of Conversion Shares, then, and in each such case the Corporation shall give written notice thereof by first class mail, postage prepaid, addressed to each Holder of Preferred Stock at the address of such Holder as shown on the books of the Corporation, which notice shall state the Conversion Price resulting from such adjustment, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. In addition, in case at any time:

(1) the Corporation shall declare any dividend upon its Common Stock payable in cash or stock or make any other distribution to the holders of its Common Stock;

(2) the Corporation shall offer for subscription pro rata to the holders of its Common Stock any additional shares of such stock of any class or other rights;

(3) there shall be any capital reorganization or reclassification of the capital stock of the Corporation, or a consolidation or merger of the Corporation with, or a sale of all or substantially all its assets to, another corporation;

(4) there shall be a voluntary or involuntary dissolution, liquidation or winding up of the Corporation; or

(5) there shall be any Redemption Right Event;

then, in any one or more of said cases, the Corporation shall give, by first class mail, postage prepaid, addressed to each Holder at the address of such Holder as shown on the books of the Corporation, (a) at least fifteen (15) days prior written notice of the date on which the books of the Corporation shall close or a record shall be taken for such dividend, distribution or subscription rights or for determining rights to vote in respect of any such reorganization, reclassification, consolidation, merger, sale, Redemption Right Event, dissolution, liquidation or winding up, and (b) in the case of any such reorganization, reclassification, consolidation, merger, sale, Redemption Right Event, dissolution, liquidation or winding up, at least fifteen (15) days prior written notice of the date when the same shall take place. Such notice in accordance with the foregoing clause (a) shall also specify, in the case of any such dividend, distribution or subscription rights, the date on which the holders of Common Stock shall be entitled thereto, and such notice in accordance with the foregoing clause (b) shall also specify the date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, Redemption Right Event, dissolution, liquidation or winding up, as the case may be.

13. Stock to be Reserved. The Corporation will at all times reserve and keep available out of its authorized but unissued Common Stock solely for the purpose of issuance upon the conversion of the Preferred Stock as herein provided, such number of shares of Common Stock as shall then be issuable upon the conversion of all outstanding shares or fractions of shares of Preferred Stock. All shares of Common Stock which shall be so issued shall be duly and validly issued and fully paid and nonassessable and free from all liens, duties and charges arising out of or by reason of the issue thereof (including, without limitation, in respect of taxes), shall be approved for listing on the New York Stock Exchange (or any other national securities exchange on which the Common Stock is listed) and, without limiting the generality of the foregoing, the Corporation covenants that it will from time to time take all such action as may be requisite to assure that the par value per share of the Common Stock is at all times equal to or less than the effective Conversion Price. The Corporation will take all such action within its control as may be necessary on its part to assure that all such shares of Common Stock may be so issued without violation of any applicable law or regulation, or of any requirements of any national securities exchange upon which the Common Stock of the Corporation may be listed. The Corporation will not take any action which results in any adjustment of the Conversion Price if after such action the total number of shares of Common Stock issued and outstanding and thereafter issuable upon exercise of all Options and conversion of Convertible Securities, including upon conversion of the Preferred Stock, would exceed the total number of shares of such class of Common Stock then authorized by the Corporation's Certificate of Incorporation.

14. Effect of Reacquisition of Shares Upon Redemption, Repurchase, Conversion or Otherwise. Shares of Preferred Stock that have been issued and reacquired in any manner, whether by redemption, repurchase or otherwise or upon any conversion of shares of Preferred Stock to Common Stock, shall thereupon be retired and shall have the status of authorized and

unissued shares of preferred stock of the Corporation undesignated as to series, and may be redesignated as any series of preferred stock of the Corporation and reissued.

15. Issue Taxes and Fees. The issuance of certificates, if any, for shares of Common Stock upon conversion of the Preferred Stock shall be made without charge to the holders thereof for any (a) issuance tax, stamp tax, transfer tax, duty or charge in respect thereof, provided that the Corporation shall not be required to pay any tax, duty or charge which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of the holder of the Preferred Stock which is being converted or (b) fees (including fees of the transfer agent or The Depository Trust Company).

16. Closing of Books. The Corporation will at no time close its transfer books against the transfer of any Preferred Stock or of any shares of Common Stock issued or issuable upon the conversion of any shares of Preferred Stock in any manner which interferes with the timely conversion of such Preferred Stock; provided, however, nothing herein shall be construed to prevent the Corporation from setting record dates for the holders of its securities.

17. Voting. In addition to any class voting rights provided by law and this Certificate of Designation, the Holders of Series A Preferred Stock shall have the right to vote together with the holders of Common Stock as a single class on any matter on which the holders of Common Stock are entitled to vote (including the election of directors). With respect to the voting rights of the Holders of the Series A Preferred Stock, each Holder of Series A Preferred Stock shall be entitled to cast one vote for each share of Common Stock that would be issuable to such Holder upon the conversion of all the shares of Series A Preferred Stock held by such Holder on the record date for the determination of stockholders entitled to vote at a conversion rate the numerator of which is the Stated Value (as adjusted for any subdivision by any stock split, stock dividend, recapitalization, reorganization, scheme, arrangement or otherwise, as contemplated in Section 10 hereof, occurring prior to such record date) and the denominator of which is the Conversion Price. The Holders of shares of Series B Preferred Stock shall not be entitled to vote on any matters submitted to a vote of stockholders of the Corporation, except as otherwise provided herein or as required by applicable law.

18. Certain Restrictions.

(a) In addition to any other vote of the Holders required by law or by the Certificate of Incorporation, without the prior consent of the Required Holders of the applicable series of Preferred Stock, given in person or by proxy, either in writing or at a special meeting called for that purpose, at which meeting the holders of the shares of such Preferred Stock shall vote together as a class, the Corporation will not:

(i) (x) authorize, create, designate, establish or issue (whether by merger or otherwise) (A) an increased number of shares of such series of Preferred Stock, or (B) any other class or series of capital stock ranking senior to or on parity with such series of Preferred Stock as to dividends or upon liquidation or (y) reclassify any shares of Common Stock into shares having any preference or priority as to dividends or upon liquidation superior to or on parity with any such preference or priority of such series of Preferred Stock;

(ii) amend, restate, alter or repeal any of the rights, powers or preferences of such series of Preferred Stock;

(iii) amend, restate, alter or repeal the Certificate of Incorporation in a manner which would adversely affect a Holder's ability to, as applicable, (A) transfer its shares of such series of Preferred Stock or Common Stock to any person, (B) convert its shares of Series A Preferred Stock into Common Stock, or (C) convert its shares of Series B Preferred Stock into shares of Series A Preferred Stock; or

(iv) agree to do any of the foregoing.

(b) The Corporation will not, directly or indirectly, declare or pay any dividend or distribution on, or directly or indirectly purchase, redeem, repurchase or otherwise acquire or permit any subsidiary of the Corporation to redeem, repurchase or acquire, any Junior Securities, other than any Participating Dividends actually paid upon all outstanding Preferred Stock, without the consent of the holders of at least a majority of the then-outstanding Series A Preferred Stock to the making of such dividend or distribution.

19. Corporate Opportunities. Notwithstanding anything contained in this Certificate of Designations, each Holder may freely offer to any other Person or effect on behalf of itself or any other Person any other investment or business opportunity or prospective economic advantage (which may include investments or activities relating to competitors of the Corporation), including those competitive with the business of the Corporation, or other transactions in which the Corporation, its subsidiaries, any Holder or any other stockholder of the Corporation may have an interest or expectancy, including as a result of any fiduciary duties applicable to such Person, in each case without any prior notification or approval of the Corporation or its Board or stockholders.

20. No Impairment. The Corporation will not, through any reorganization, transfer of assets, consolidation, merger, scheme or arrangement, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation but will at all time in good faith assist in the carrying out of all the provisions herein and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights and liquidation preferences granted hereunder of the Holders against impairment. Without limiting the generality of the foregoing, the Corporation (i) shall not increase the par value of any shares of Common Stock or Preferred Stock, as applicable, receivable upon conversion of the Preferred Stock above the Conversion Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Corporation may validly and legally issue fully paid and non-assessable shares of Common Stock or Preferred Stock, as applicable, upon conversion of the Preferred Stock, and (iii) shall, so long as any shares or fraction of a share of Preferred stock remain outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock or Preferred Stock, as applicable, solely for the purpose of effecting the conversion of the Preferred Stock, 100% of the number of shares of Common Stock or Preferred Stock, as applicable, issuable upon conversion of the Preferred Stock then outstanding (without regard to any limitations on conversion).

21. No Waiver. Except as otherwise modified or provided for herein, the Holders shall also be entitled to, and shall not be deemed to have waived, any other applicable rights granted to such Holders under the Delaware General Corporation Law.

22. Amendment; Waiver. Any term of the Preferred Stock may be amended or waived (including the adjustment provisions included in Section 10 hereof) upon the written consent of the Corporation and the Holders of at least 66% of the Preferred Stock then outstanding.

23. Action By Holders. Any action or consent to be taken or given by the holders of the Preferred Stock may be given either at a meeting of the Holders of the Preferred Stock called and held for such purpose or by written consent.

24. Fractional Shares. Preferred Stock may be issued in fractions of a share that shall entitle each Holder, in proportion to such Holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Preferred Stock, including all conversion and redemption rights.

IN WITNESS WHEREOF, the undersigned has executed Certificate of Designations, Preferences and Rights this 22<sup>nd</sup> day of May, 2017.
