

Superior Industries Announces Publication of 2022 Sustainability Report

SOUTHFIELD, MICHIGAN – **August 31, 2022** – **Superior Industries International, Inc.** (“Superior” or the “Company”) (NYSE:SUP), one of the world’s leading light vehicle aluminum wheel suppliers for OEMs and the European aftermarket, today announced the publication of its 2022 Sustainability Report. This report is an important step in communicating Superior’s sustainability management commitments, providing an update on the Company’s continued progress in advancing environmental, social, and governance (ESG) initiatives.

Report Highlights:

- Published results of Superior’s inaugural Sustainability Materiality Assessment, helping refine Superior’s ESG framework, priorities, and targets
- Continued to outperform the industry average in reportable safety incidents
- Reduced the Company’s absolute carbon footprint by 9% between 2020 and 2021, driving progress towards the goal of becoming carbon neutral by 2039
- Introduced the R4™ wheel initiative to design and develop low carbon and carbon neutral products

“The accomplishments addressed throughout our 2022 Sustainability Report underscore the efforts of our global teams in reducing the environmental impact of our operations while making Superior a safer, more inclusive workplace. Guided by our four strategic pillars of People, Planet, Product, and Process, we are excited to continue advancing our commitment to enabling company-wide sustainability,” commented Majdi Abulaban, President and Chief Executive Officer of Superior. “Our ongoing focus on corporate stewardship supports Superior’s competitive position while creating long-term value for our stakeholders. We look forward to maintaining our momentum and continuing to drive progress on our ESG goals well into the future.”

Superior’s 2022 Sustainability Report references Global Reporting Initiative (GRI) standards and has been prepared in accordance with the Sustainable Accounting Standards Board (SASB) and the United Nations Sustainability Development Goals (UNSDG) frameworks. Superior also participates in reporting through the United Nations Global Compact, Carbon Disclosure Project (CDP), and EcoVadis.
